PUBLISHED BY JOHN MURRAY,
Bookseller to the Admiralty and Board of Longitude,
ALBEMARLE STREET, LONDON.

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (**POST PAID**, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the Quarterly **HALF-PAY LIST** may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.

ADMIRALTY OFFICE.

10th December, 1816.

ABSTRACT of Regulations, on the Subject of Pay, established by the Lords Commissioners of the Admiralty, in obedience to and in pursuance of His late Majesty's Order in Council, dated 25th November, 1816, to commence from the 1st January, 1817.

I.

THE Sea Pay of all Officers and Men of His Majesty's Navy and Royal Marines, as stated in the Table, is a Nett Pay, without addition or deduction of any kind.

II.

In all cases where Personal Pay is now payable, three fourth parts of the new Nett Pay shall be considered as Personal Pay, and shall be payable accordingly, and all Laws, Regulations, or Instructions now existing, concerning Personal Pay, are to be taken and considered to apply to three fourth parts of the new Nett Pay, and those concerning Compensation are to be taken and considered to apply to the remaining one-fourth part of the new Nett Pay, except as may be hereinafter ordered to the contrary.

III.

Flag Officers or Commodores with Captains under them, when commissioned as Commanders-in-Chief, or properly succeeding to such command, shall have a Pay of 3*l*. per diem in lieu of the present Table Money, but this shall be payable only while the Flag or Broad Pendant of the Officer is flying within the actual limits of his station; and on his death or absence shall be paid to the Officer on whom the Command may devolve, provided he be a Flag Officer or a Commodore with a Captain under him.

IV.

Captains who in the death or absence of a Commander-in-Chief are authorized to hoist a distinguishing Pendant, shall receive the Pay of 1*l*. per diem in addition to their Pay as Captains while the Pendant is flying within the limits of the station.

V.

The following Officers shall be permitted to draw Bills for the Amount of three fourths of their Pay, quarterly: Captains, Commanders, Lieutenants commanding, Surgeons.

VI.

The following Officers shall be permitted to draw the whole of their Pay, quarterly: Flag Officers, Lieutenants not Commanding, Officers of Royal Marines*, Physicians of the Fleet, Masters of the Fleet, Chaplains, Secretaries, Assistant Surgeons†.

* By a subsequent order, dated 19 Feb. 1820, the Royal Marine Officers are to draw their pay at the precise amount of its daily rate, and by the calendar month.

† This only applies to the case of Assistant Surgeons when they are serving with Surgeons. In small Vessels, where there are no Surgeons, the Assistants can only draw for Pay as Surgeons.

VII.

The following Officers shall be permitted to draw the whole of their Pay, half-yearly : Passed Mates, Passed Midshipmen, Secretaries' Clerks, Captains' Clerks, Schoolmasters.

VIII.

Bills drawn by any Lieutenant of the Ship, Officer of Royal Marines, Master, Chaplain, Secretary, Assistant Surgeon, Clerk, Mate, Midshipman, or Schoolmaster, must be certified by the Purser and approved by the Captain. The Purser shall be held responsible that the said Bill is not for a greater Sum than the Officer had a right to draw for, after any Debt for Slops or Dead Men's Clothes is abated from the Amount of his Wages, for the Period for which the Bill is drawn; and the Captain shall be held responsible, that the Officer so drawing has been borne for Wages during the specified period, and is entitled by these Regulations to draw, and that the Purser has already approved the said Bills.

IX.

Mates and Midshipmen shall be entitled to draw after they shall have passed the Examinations prescribed by the Regulation of the 22d January, 1816, both at the Naval College, and before Three Captains. And no Captain shall approve the Bill of any Mate or Midshipman, who shall not have produced to him Certificates of his having passed both Examinations; for which purpose a duplicate Certificate is to be given him, at the time of passing.

X.

But as Mates and Midshipmen, who had passed the usual Examination before the 1st March last, or before the Day of the Receipt of the said Regulations on the Foreign Station on which they may be serving, are not by the said Regulations required to pass again at the College; Captains are at liberty to approve the Bills of Mates and Midshipmen, whose Passing Certificates are dated prior to the 1st March last, or to the Day on which the said Regulations were received on the Foreign Station; which date the respective Commanders-in-Chief are to notify herewith to the several Captains.

PROCLAMATION

RESPECTING THE

CONVEYANCE OF PUBLIC AND PRIVATE TREASURE.

By His Royal Highness the Prince of Wales, Regent of the United Kingdom of Great Britain and Ireland, in the Name and on the Behalf of His Majesty.

A PROCLAMATION.

GEORGE P. R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His present Majesty, Cap. 25, intituled, *An Act to enable His Majesty to fix a Rate, and direct the Disposal of Freight-Money, for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, That from and after the Eighth Day of April One thousand eight hundred and nineteen, all Freight Money to be paid for the Conveyance on board any of the Ships and Vessels of His Majesty, His Heirs and Successors, of Gold, Silver and Jewels, or of any other Article which may be by special Order received on board the said Ships and Vessels, and for which Freight shall be payable, shall be paid at such Rate, and distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such Manner, as His Majesty, His Heirs and Successors, shall from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; and that no Freight-Money or Reward shall hereafter be demanded, paid, received, or detained by, to, or for the use or on account of any Person or Persons, for the Conveyance on board of any of the Ships and Vessels of His Majesty, His Heirs or Successors, of any Gold, Silver, or Jewels, or

~~European~~ or ~~Atlantic~~
 Seas, North of the *Equa-*
tor, and any Port beyond
 the *Cape of Good Hope*
 or *Cape Horn*

1

$2\frac{1}{2}$ 3 per Cent

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be

under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight *per Centum*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso herein-after mentioned; One Fourth to the Admiral or Admirals, if more than One on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the Use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station in the following Proportions, *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his

Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following :

I, *A. B.* am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled :

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein-before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Green-

wich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any Party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of July

One thousand eight hundred and nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

SUPPLEMENTARY REGULATIONS RESPECTING CHAPLAINS IN THE NAVY.

Admiralty Office, 2d May, 1820.

HIS MAJESTY having been most graciously pleased, by his Order in Council of the 26th ult., to establish the following regulations respecting Chaplains in the Navy, (in addition to those established by his late Majesty's Orders in Council of the 4th March, 1812, and 4th March 1813,) and the allowance of pensions to their Widows, from the Charity for the Relief of Widows of Commission and Warrant Officers of the Royal Navy, *viz.*

1st, That there shall be a list of Chaplains kept at the Admiralty-office, in order of seniority; and that no person, whose name is not on that list, shall be considered as a Naval Chaplain.

That the said List shall consist of two parts, the first to be called the "Retired List," upon which those Chaplains shall be placed who have served the full time to entitle them absolutely to the half pay, under the said Orders in Council of the 4th March 1812, and 4th March 1813, or who may, by sickness or accident actually suffered in the service, be rendered incapable of ever again actively serving. The second part to be called the "Active List," upon which all Chaplains shall be placed from the dates of their respective warrants, and upon which they are to continue so long as they shall be in service, or on shore with the concurrence of the Lords Commissioners of the Admiralty.

2nd. That every Chaplain entering His Majesty's service shall understand that he enters not for any particular ship or station, but for general service; and that, if he shall, on any occasion, refuse or neglect to discharge his duty in any ship or situation to which their Lordships may appoint him, he will be removed from the list.

3d. That any Chaplain thus removed from the list shall lose the whole of his previous time of service, and shall not be readmissible to the list of Chaplains, except when, under the peculiar circumstances of the case, their Lordships may authorize such re-admission, and may also allow his previous service to reckon as part of his time.

4th. That Chaplains who are by ill health unable to continue to serve, shall be invalided or relieved like other officers, and when so invalided or relieved, shall be placed either on the retired list when entitled thereto, or on the active list when the illness shall appear temporary, and the Chaplain hopes or intends to serve again on his recovery; or if the illness be permanent and the Chaplain be not entitled to any half pay, his name shall be removed from the list altogether.

5th. That no person shall be a confirmed Chaplain in his Majesty's Service who shall not be a Clergyman of the United Church of England and Ireland, in priest's orders, and who shall not have produced to their Lordships satisfactory Certificates of his good conduct and fitness for his situation.

6th. That their Lordships may grant an acting order to any clergyman of the United Church of England and Ireland, having only deacon's orders, who shall produce certificates of good conduct, and who shall be bound in reasonable time to take priest's orders, in which case he shall have a regular warrant, and shall be confirmed on the List of Chaplains from the date of his original Acting Order. But if he shall not, when he may have had convenient opportunities, take priest's orders, he shall be removed from the List, and shall be entitled to no advantage whatsoever from his service beyond his pay and prize-money for the period of his service, except only in case of wound, accident, or sickness, actually incurred in the service, when their Lordships may grant him whatever he would be entitled to if he had been in priest's orders.

7th. That no Widow shall be considered as a Chaplain's Widow unless her husband was in priest's orders, and unless his name was on the List at the time of his death; nor unless she shall have been married during or prior to her husband's service in the Navy, and unless her

husband shall have served three years in sea-going ships, or four years in Guard Ships subsequent to their marriage, and shall in the whole have served the length of time absolutely to entitle him to his Half-Pay ; and that all such Pensions shall be paid by the Sea Officers' Widows' Charity, under the same Rules and Regulations as may from time to time apply to the Pensions of other Naval Officers.

8th. That the foregoing limitations shall not apply to the prejudice of the Widow of a Chaplain killed or drowned in the service ; nor of a Chaplain's dying while on the Active List, provided their Lordships shall be satisfied that his death was occasioned by disease really contracted in the Naval Service, and that there was no fraud or collusion intended in his marriage, and that his Widow is a fit object for the Widows' Charity ; all which being certified by their Lordships to the Court of Assistants, it shall be lawful for them to place such Widow on the Pension List.

9th. That Chaplains on the retired list shall be equally eligible for active service with others, provided they desire it, or provided they have not an absolute right to the half-pay, if the cause of their going on the retired list should have ceased.

My Lords Commissioners of the Admiralty hereby give notice of the said Regulations, for the information of all persons whom they may concern.

By command of their Lordships,

J. W. CROKER.

(Circular.)

VICTUALLING OFFICE,
29th April, 1817.

IN consequence of the execution of the duties attached to the MEDICAL BRANCH of the late Transport Department having recently been transferred to this Board, we have to acquaint you, that we do not consider it necessary, under existing circumstances, to require the address of Medical Officers on Half Pay, more than once in each year ; and we, therefore, hereby give you notice, that your Quarterly Address will, for the present, be dispensed with ; and that in future it will only be incumbent upon you, to transmit the particulars of your residence to this Office, on the 31st day of December in the present, and in each succeeding year ; provided, however, you do not change the place of your abode, in which event it will be imperative upon you forthwith to report your removal to this Office, to prevent an immediate stoppage being otherwise necessarily placed against your Half Pay.

We are,

Your very humble Servants,

J. C. SEARLE.

NICHOLAS BROWN.

J. WEIR.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

29th May, 1821.

SIR,

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

ADMIRALTY OFFICE,

June 22, 1821.

IN order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave ; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordship's leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty. Officers who may not employ an agent may have the public fees on their letters of leave deducted from their Half-pay, on specifying their desire to that effect in the letter asking for the leave.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave ; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America ; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

VICTUALLING-OFFICE,

27th November, 1821.

By the Commissioners for Victualling His Majesty's Navy, and for the Care of Sick and Wounded Seamen.

The Right Honourable the Lords Commissioners of the Admiralty having been pleased at our suggestion, to approve of the names of such Medical Officers of the Royal Navy, as may have graduated at the Universities of Oxford, Cambridge, Edinburgh, or Dublin, or, who having so done at any other University, may be Members of the Royal College of Physicians of London, being accordingly distinguished by the letters M. D. in the Navy List; Notice is hereby given that those Naval Medical Officers who may already possess, or may hereafter obtain, the requisite Degree or License, must produce the same, or a satisfactory Certificate thereof, at this Office, in order that such distinction may be duly noted.

Notice is further given that, in all Appointments in the Medical Department of the Service, a preference will invariably be given, both to Surgeons and Assistants, who may have most distinguished themselves in their professional Studies and Attainments.

PUBLISHED BY JOHN MURRAY,
Bookseller to the Admiralty and Board of Longitude,
ALBEMARLE STREET, LONDON.

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (**POST PAID**, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the Quarterly **HALF-PAY LIST** may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N.B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.

London:—W. CLOWES, Printer, Northumberland-court.

ADMIRALTY OFFICE.

10th December, 1816.

ABSTRACT of Regulations, on the Subject of Pay, established by the Lords Commissioners of the Admiralty, in obedience to and in pursuance of His late Majesty's Order in Council, dated 25th November, 1816, to commence from the 1st January, 1817.

I.

THE Sea Pay of all Officers and Men of His Majesty's Navy and Royal Marines, as stated in the Table, is a Nett Pay, without addition or deduction of any kind.

II.

In all cases where Personal Pay is now payable, three fourth parts of the new Nett Pay shall be considered as Personal Pay, and shall be payable accordingly, and all Laws, Regulations, or Instructions now existing, concerning Personal Pay, are to be taken and considered to apply to three fourth parts of the new Nett Pay, and those concerning Compensation are to be taken and considered to apply to the remaining one-fourth part of the new Nett Pay, except as may be hereinafter ordered to the contrary.

III.

Flag Officers or Commodores with Captains under them, when commissioned as Commanders-in-Chief, or properly succeeding to such command, shall have a Pay of 3*l*. per diem in lieu of the present Table Money, but this shall be payable only while the Flag or Broad Pendant of the Officer is flying within the actual limits of his station; and on his death or absence shall be paid to the Officer on whom the Command may devolve, provided he be a Flag Officer or a Commodore with a Captain under him.

IV.

Captains who in the death or absence of a Commander-in-Chief are authorized to hoist a distinguishing Pendant, shall receive the Pay of 1*l*. per diem in addition to their Pay as Captains while the Pendant is flying within the limits of the station.

V.

The following Officers shall be permitted to draw Bills for the Amount of three fourths of their Pay, quarterly: Captains, Commanders, Lieutenants commanding, Surgeons.

VI.

The following Officers shall be permitted to draw the whole of their Pay, quarterly: Flag Officers, Lieutenants not Commanding, Officers of Royal Marines*, Physicians of the Fleet, Masters of the Fleet, Chaplains, Secretaries, Assistant Surgeons†.

* By a subsequent order, dated 19 Feb. 1820, the Royal Marine Officers are to draw their pay at the precise amount of its daily rate, and by the calendar month.

† This only applies to the case of Assistant Surgeons when they are serving with Surgeons. In small Vessels, where there are no Surgeons, the Assistants can only draw for Pay as Surgeons.

VII.

The following Officers shall be permitted to draw the whole of their pay, half-yearly : Passed Mates, Passed Midshipmen, Secretaries' Clerks, Captains' Clerks, Schoolmasters.

VIII.

Bills drawn by any Lieutenant of the Ship, Officer of Royal Marines, Master, Chaplain, Secretary, Assistant Surgeon, Clerk, Mate, Midshipman, or Schoolmaster, must be certified by the Purser and approved by the Captain. The Purser shall be held responsible that the said Bill is not for a greater Sum than the Officer had a right to draw for, after any Debt or Slops or Dead Men's Clothes is abated from the Amount of his Wages, for the Period for which the Bill is drawn; and the Captain shall be held responsible, that the Officer so drawing has been borne for Wages during the specified period, and is entitled by these Regulations to draw, and that the Purser has already approved the said Bills.

IX.

Mates and Midshipmen shall be entitled to draw after they shall have passed the Examinations prescribed by the Regulation of the 22d January, 1816, both at the Naval College, and before Three Captains. And no Captain shall approve the Bill of any Mate or Midshipman, who shall not have produced to him Certificates of his having passed both Examinations; for which purpose a duplicate Certificate is to be given him, at the time of passing.

X.

But as Mates and Midshipmen, who had passed the usual Examination before the 1st March last, or before the Day of the Receipt of the said Regulations on the Foreign Station on which they may be serving, are not by the said Regulations required to pass again at the College; Captains are at liberty to approve the Bills of Mates and Midshipmen, whose Passing Certificates are dated prior to the 1st March last, or to the Day on which the said Regulations were received on the Foreign Station; which date the respective Commanders-in-Chief are to notify herewith to the several Captains.

XI.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein-before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Green-

wich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any Party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*
One thousand eight hundred and nineteen, in the Fifty-ninth
Year of His Majesty's Reign.

GOD SAVE THE KING.

SUPPLEMENTARY REGULATIONS RESPECTING CHAPLAINS IN THE NAVY.

Admiralty Office, 2d May, 1820.

HIS MAJESTY having been most graciously pleased, by his Order in Council of the 26th ult., to establish the following regulations respecting Chaplains in the Navy, (in addition to those established by his late Majesty's Orders in Council of the 4th March, 1812, and 4th March 1813,) and the allowance of pensions to their Widows, from the Charity for the Relief of Widows of Commission and Warrant Officers of the Royal Navy, *viz.*

1st, That there shall be a list of Chaplains kept at the Admiralty-office, in order of seniority; and that no person, whose name is not on that list, shall be considered as a Naval Chaplain.

That the said List shall consist of two parts, the first to be called the "Retired List," upon which those Chaplains shall be placed who have served the full time to entitle them absolutely to the half pay, under the said Orders in Council of the 4th March 1812, and 4th March 1813, or who may, by sickness or accident actually suffered in the service, be rendered incapable of ever again actively serving. The second part to be called the "Active List," upon which all Chaplains shall be placed from the dates of their respective warrants, and upon which they are to continue so long as they shall be in service, or on shore with the concurrence of the Lords Commissioners of the Admiralty.

2d. That every Chaplain entering His Majesty's service shall understand that he enters not for any particular ship or station, but for general service; and that, if he shall, on any occasion, refuse or neglect to discharge his duty in any ship or situation to which their Lordships may appoint him, he will be removed from the list.

3d. That any Chaplain thus removed from the list shall lose the whole of his previous time of service, and shall not be readmissible to the list of Chaplains, except when, under the peculiar circumstances of the case, their Lordships may authorize such re-admission, and may also allow his previous service to reckon as part of his time.

4th. That Chaplains who are by ill health unable to continue to serve, shall be invalided or relieved like other officers, and when so invalided or relieved, shall be placed either on the retired list when entitled thereto, or on the active list when the illness shall appear temporary, and the Chaplain hopes or intends to serve again on his recovery; or if the illness be permanent and the Chaplain be not entitled to any half pay, his name shall be removed from the list altogether.

5th. That no person shall be a confirmed Chaplain in his Majesty's Service who shall not be a Clergyman of the United Church of England and Ireland, in priest's orders, and who shall not have produced to their Lordships satisfactory Certificates of his good conduct and fitness for his situation.

6th. That their Lordships may grant an acting order to any clergyman of the United Church of England and Ireland, having only deacon's orders, who shall produce certificates of good conduct, and who shall be bound in reasonable time to take priest's orders, in which case he shall have a regular warrant, and shall be confirmed on the List of Chaplains from the date of his original Acting Order. But if he shall not, when he may have had convenient opportunities, take priest's orders, he shall be removed from the List, and shall be entitled to no advantage whatsoever from his service beyond his pay and prize-money for the period of his service, except only in case of wound, accident, or sickness, actually incurred in the service, when their Lordships may grant him whatever he would be entitled to if he had been in priest's orders.

7th. That no Widow shall be considered as a Chaplain's Widow unless her husband was in priest's orders, and unless his name was on the List at the time of his death; nor unless she shall have been married during or prior to her husband's service in the Navy, and unless

husband shall have served three years in sea-going ships, or four years in Guard Ships subsequent to their marriage, and shall in the whole have served the length of time absolutely to entitle him to his Half-Pay; and that all such Pensions shall be paid by the Sea Officers' Widows' Charity, under the same Rules and Regulations as may from time to time apply to the Pensions of other Naval Officers.

8th. That the foregoing limitations shall not apply to the prejudice of the Widow of a Chaplain killed or drowned in the service; nor of a Chaplain's dying while on the Active List, provided their Lordships shall be satisfied that his death was occasioned by disease really contracted in the Naval Service, and that there was no fraud or collusion intended in his marriage, and that his Widow is a fit object for the Widows' Charity; all which being certified by their Lordships to the Court of Assistants, it shall be lawful for them to place such Widow on the Pension List.

9th. That Chaplains on the retired list shall be equally eligible for active service with others, provided they desire it, or provided they have not an absolute right to the half-pay, if the cause of their going on the retired list should have ceased.

My Lords Commissioners of the Admiralty hereby give notice of the said Regulations, for the information of all persons whom they may concern.

By command of their Lordships;

J. W. CROKER.

VICTUALLING OFFICE,
29th April, 1817.

IN consequence of the execution of the duties attached to the MEDICAL BRANCH of the late Transport Department having recently been transferred to this Board, we have to acquaint you, that we do not consider it necessary, under existing circumstances, to require the address of Medical Officers on Half Pay, more than once in each year; and we, therefore, hereby give you notice, that your Quarterly Address will, for the present, be dispensed with; and that in future it will only be incumbent upon you, to transmit the particulars of your residence to this Office, on the 31st day of December in the present, and in each succeeding year; provided, however, you do not change the place of your abode, in which event it will be imperative upon you forthwith to report your removal to this Office, to prevent an immediate stoppage being otherwise necessarily placed against your Half Pay.

We are,

Your very humble Servants,

J. C. SEARLE.

NICHOLAS BROWN.

J. WEIR.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

29th May, 1821.

SIR,

My Lords Commissioners of the Admiralty having had under the consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

ADMIRALTY OFFICE,

June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave ; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by the Lordship's leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty. Officers who may not employ an agent may have the public fees on the letters of leave deducted from their Half-pay, on specifying their desire to that effect in the letter asking for the leave.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave ; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America ; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER

VICTUALLING-OFFICE,

27th November, 1821.

By the Commissioners for Victualling His Majesty's Navy, and for the Care of Sick and Wounded Seamen.

The Right Honourable the Lords Commissioners of the Admiralty having been pleased at our suggestion, to approve of the names of such Medical Officers of the Royal Navy, as may have graduated at the Universities of Oxford, Cambridge, Edinburgh, or Dublin, or, who having so done at any other University, may be Members of the Royal College of Physicians of London, being accordingly distinguished by the letters M. D. in the Navy List; Notice is hereby given that those Naval Medical Officers who may already possess, or may hereafter obtain, the requisite Degree or License, must produce the same, or a satisfactory Certificate thereof, at this Office, in order that such distinction may be duly noted.

Notice is further given that, in all Appointments in the Medical Department of the Service, a preference will invariably be given, both to Surgeons and Assistants, who may have most distinguished themselves in their professional Studies and Attainments.
